(Continued from Page One) As a reward for his civic action, the man and his wife were served with a notice from the State Highway Division, telling him to have the sign removed as it was defacing the State Highway.

As of Tuesday afternoon the sign was still present, with plans made to have it removed. The citizen informed the Press that he felt the sign necessary as a safety measure because children use the intersection often, and the foggy season makes it even more perilous.

However, on recommendation of Stevens, the council on Oct. 31 move that Torrance depend on two out-of-town ambulance services for emergencies. The result is that local accident or injury cases have to wait until ambulances travel from 5 to 15 miles, after they are contacted, to get to the scene of accidents. The two services now handling Torrance cases are in Redondo Beach and Gardena.

(Continued from Page One) dondo Beach rate was \$5.10, or \$1.84 higher than that of Torrance.

Manhattan Beach now has the highest rate of the 45 incorporated cities of the County, or \$7.8310 per \$100 assessed valuation. However, its increase is not as great as that of Torrance, the Manhattan Beach rate in 1930 being \$4.45.

Hermosa Beach rate also is almost a dollar higher than that of Torrance for the current year, being \$7.3469. Hermosas' rate in 1930 was \$4.85.

Hawthorne now has a rate of \$6.3559 against \$4.23 in 1930. Gardena's rate now is \$5.7031, but that city was not incorporated in 1930.

The El Segundo situation is comparable to Torrance, the rate this year being \$6.744 against \$3.47 for the year 1930.

Compton has a rate this year of \$6.7097 against \$4.59 for 1930. Other rates in Los Angeles County cities are:

1930-31 1950-51

Torrance Asked For Toys by Salvation Army

Approach of the holiday season emphasizes the need for toys and children's furniture at the Salvation Army social service center serving the Torrance area.

This was pointed out today by Brigadier Fred Ohrn, center manager, in making an appeal for donations of castoff games, wheel goods, toys, clothing, and furniture.

"Thousands of youngsters will be without gifts on Christmas morning unless the Salvation Army receives a good supply of no-longer-needed children's articles," Brig. Ohrn said. "Telephone us at Long Beach 71293 if you have any such items to donate and a Salvation Army Red Shield truck will pick them up at your home or office."

West Basin Growth

(Continued from Page One) use of 150 gallons of water per day for each person," he continued, "this means an added draft upon the depleted ground waters of the basin of 2164 acre-feet per year each year hereafter. If this rate of growth continues for the next 10 years, by 1960 the added draft on the basin will be 31,640 acre-feet per year."

The only solution appears to be the increased use of Metropolitan water and immediate preventative measures to stop further basin destruction by intruding ocean water, it was said. Warren Butler, vice chairman of Metropolitan Water District board, has declared that Metropolitan will not always be able to meet peak summer demands, and people of the West Basin must therefore continue to rely on pumping from the West Basin supply which soon will be destroyed unless corrective action is taken soon, according to the report.

Population and dwelling unit figures of the West Basin area are:

City	Population Oct. 1950	Dwelling Units Oct. 1950
Torrance	24,608	7,690
Inglewood	46,280	15,528
Hawthorne	16,527	5,154

Adult Orchestra Night Changed

The class meeting day of the Torrance Adult Concert Orchestra has been changed to Wednesday night, according to Director Abe Milstein, in order to accommodate many musicians who have been unable to meet the former schedule.

This orchestra is a free adult education class, held in the Torrance High School auditorium every Wednesday night at 7 o'clock.

Both experienced and inexperienced musicians in strings, reed, woodwind, brass, and percussion are invited to join this group to play the gamut of popular, light

classical, and classical music, and at the same time meet other people musically inclined and dedicated to the spirit of making good music.

Those desiring to join this organization should go directly to the auditorium on Wednesday night. All adults, regardless of residence, are invited to join.
